

Announcement

Hop Research Institute in Žatec, in collaboration with Bohemia Hop, a.s., is preparing the 1st year of competition of the best hopped beer by **Kazbek** variety, in two categories:

1. Upper fermented ale

2. Bottom fermented lager

The style of individual beers is not limited, but the condition is to use a minimum of 50% of Kazbek variety for hopping, other hopping is not limited. No entry fees for beer samples, registration until **February 28th 2019**, beer samples until **March 22th 2019** in a minimum volume of 15 l

Beers will be judged by blind tasting method by an expert panel, composed of participated brewery representatives, specialists in hop and brewing industry. Evaluation system (1 or 2 rounds, final) will be dependent on a number of registered beer samples. The main criteria will be a pleasant and balanced taste, aroma, bitterness, impression of aftertaste and the overall preference of evaluated beer.

1st place – 40 kg of Kazbek P90, **2nd** place – 20 kg of Kazbek P90, **3rd** place – 10 kg of Kazbek P90 + other prizes (cup, diploma, free tickets to Hop Museum, etc.)

The term of beer tasting, evaluation and awarding will be **March 28th 2019**.
